

 **Together Kantershof (Samen Kantershof) – For a greener and sustainable neighbourhood!**

## Invitation

Dear Kantershof Resident,

Curious about the progress of the BBK Energy Transition Steering Group (Stuurgroep Energietransitie van de BBK)?

Then come along to the **Kantershof Residents' Meeting on 24th of June** at the **Basisschool Samenspel**.

Doors open for coffee and tea from 19:30, with the meeting starting at 20:00.

This time, we're holding a themed evening focused on window frames.

Our plastic window frames are now 30 years old, and many residents feel it is time to consider replacing or renovating them. As we're stronger together, the BBK Energy Transition Steering Group (**Stuurgroep Energietransitie van de BBK**) has already carried out a great deal of research. The findings will be presented on the 24th of June, including cost estimates and information about available subsidies.

The June 24th meeting is a stepping stone towards a follow-up event. Several companies have not been identified that could offer a collective deal for replacing or renovating our homes' window frames. These companies will present their proposal after the summer holidays, answer questions, and provide technical details.

### Vsijt our new energy website!

Our new site is live and constantly expanded: Onze nieuwe website is live en wordt steeds verder uitgebreid:  **energie.kantershof.nl**

There you'll find tips, explanations, useful tools, and updates on everything related to making your home more energy-efficient - and much more.

### Your opinion matters – Complete the survey!

What's important to you in Kantershof? What improvements have you already made to your home – and what would you still like to do? Fill in the survey via the QR code below or find the link on the website under 'News'.

Prefer a paper version? Just send us an email at: [energie@kantershof.nl](mailto:energie@kantershof.nl)

### Request a free energy coach!

Want quick insights into how you can save energy at home? A free energy coach can help you get started.
